WEAR®

FALL 2025

We at Marsh Wear are happiest when on the water. My family has fished the Charleston lowcountry for more than 100 years. I grew up with tales of redfish scales the size of half dollars, days when fish were taken to the Ice House on the corner of Cannon & Rutledge Avenues for storage, weigh-ins outside “The Shed” at the City Marina and lazy days of fishing and crabbing on our houseboat at Capers Inlet. Great family and mentors have instilled in me an appreciation and awe of the saltwater life. At Marsh Wear, these traditions inspire all that we do.

Logan Roberts,
Founder & Creative Director
